GOVT OF MYSORE

Sir,

WATER SUPPLY TO THE G.P.T. CAMP AT HARIHAR.
==0==

Adverting to letter No.EDS.3491 dated 27th April 1942 from the Secretary to Government, Electrical Department, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore, forwarding answers to the questionaire of the Head Quarters, Madras District, on the above subject, - (copy of letter and extract of question No.5 with answer enclosed for ready reference), I have the honour to state that the Garrison Engineer, Harihar, has requested the President of the Town Municipal Council, Harihar to hand over the old sump of the pumping station at Harihar, with structure etc., immediately which has been abandoned. The President has sought permission for handing over the same. I have directed the President to hand over them to the military authorities immediately for use under an inventory.

A copy of the letter of the President with that of the letter from the Garrison Engineer, Harihar is also enclosed for kind perusal. I request that my action in handing over the abandoned suction well of Harihar Municipality to military authorities may be approved.

471/2 Supply of water to the Military Camp at Haritan

General and Revenue Secretariat — File No. 75 471/2, 18, 471/2 of 194 / — [App. F. III-2

Serial No.

1) It is seen from the latest file that a supply of 150,000 gallons of water per day from the Dawanapur waterworks has been agreed to, for a period of two months, by which time it is hoped that the military authorities would make their own arrangements.

2) The value of the pumping station at Haritan which is proposed to be handed over to the military authorities is stated to be about Rs 14,794-12-0. They have not yet taken charge.

3) It is for orders if the Resident may be informed that the pumping shed with the materials required would be handed over to the military authorities, subject to their allowing a sufficient daily supply of water to the Haritan Town at reasonable rates and to their vacating the shed with the materials when the Govt intends to put up its own separate waterworks. Memo seeks orders of Govt.

4) It is also for consideration if the President, Haritan Town Committee may himself inform the military authorities as above, before handing over charge of the shed & the materials and ascertain then

Standing over the old Pumping Station (9)
at Hanklar to the military authorities

2

neral and Revenue Secretariat | File No. 75 of 1941. | [App. F. III—2

Serial No.

From: The D.C. Chittaldrug Dt
No. Ag-3783/1142 Dy 1.10.42.

Requests orders of Govt on the proposal of the Hanklar Dam and Council to charge a monthly rental of Rs 100 for the use of the abandoned well & shed thereon, which has been taken possession of by the Military authorities in the circumstance stated

39) The military authorities are not agreeable to the conditions imposed by the Hanklar Dam and Council viz (1) that water should be supplied to them at reasonable rates and (2) that they should vacate the shed & well etc. whenever required the Dam Council proposes to put up its own water works. Hence the Dam Council proposes to charge a rental of Rs 100 p.m. for the use of the well stated which is stated to belong to a private party Viz Mr Jade Subba Rao, to whom the Military will have to pay Compensation.

40) The Garrison Engr has stated that the demands of the Dam Council are unreasonable because it is not possible for the military to vacate the shed whenever required and it is not possible to

Handing over the old pumping station
10) 2/28. as Standard to the
Misc 75 Military authorities of 1941.

Serial No.

supply water to the Mily at reasonable rate because the plant is capable of pumping a limited quantity of water which would be required by the Military. It is further stated that the Mily intends to join by way of repairs to the old and abandoned well and shed which are in a dilapidated condition.

(41) An enquiry has been made of the Residency from the office of the military authorities are agreeable to the Conditions of the Jal Council. No reply has yet been received so far. Meanwhile the well & the shed have been taken possession of by the Military and the old materials lying in the shed handed over to the Mily.

(42) Submd for orders.

Sdh 2/10

(43) It is submitted that in all these cases, it would be proper if the military authorities deal with the Government thro the Residency, instead of dealing direct with the local Municipal President who is trying to carry out the wishes of the local

Serial No.

Municipal council, must dissolve
himself in complications.

4th) The reply from the Resident
for this office letter dated 1/8/42 has
not yet been received. In the
meanwhile the well & the shed have
been taken possession of by the military
authorities of the Camp at Burihar. From
the letter of the garrison Engineer, it is
seen that the military authorities are
not agreeable to the conditions proposed
by the MCL.

5th) A new factor has now been
introduced to the effect that the well
situated inside the shed is said
to belong to one Mr. Jade Subbarao
that the MCL was using the same
by giving some facilities to him in the
shape of free supply of water for domestic
duty that the MCL is liable to
compensate him on this account.
On this score the MCL has resolved
to charge a rent of Rs 100/- p.m
by way of compensation for the military authorities for being
possession of the well & the engine room

No.C.L.O. 148/42-3

In cases like this, instead of entering into direct correspondence with the local bodies, it would have been better if the Garrison Engineer had referred the matter to the Government through the Residency as usual to avoid the complications that have cropped up now. I see from the Secretariat file that in the present case, the Garrison Engineer appears to have addressed the President of the Harihar Town Municipal Council in pursuance of the answer given by the Secretary to Government, Electrical Department, in reply to question 5 of the questionnaire of the Head Quarters, Madras District on this subject enclosed to his letter No.E.D.S.3491 dated 27-4-1942 addressed to the Secretary to the Hon'ble the Resident in Mysore, stating that the suction well at Harihar may be made use of by the Defence Department with the

A

the permission of the local Municipality. As matters stand at present, the Military authorities have taken possession of the Harihar water works with its well and the Engine Room. The Municipality, it is seen, was not making any use of these properties. It is too late now to think of any alternative but to allow the Military to continue to make use of these works. It is only recently that it was brought to the notice of Government that the well inside the shed belonged to a private person and it would have been better if the Deputy Commissioner and the President, Harihar Town Municipal Council had investigated into the question in detail before they permitted the Military authorities to use the water works. As the original conditions imposed by the Municipal Council were not acceptable to the Garrison Engineer the Municipal Council have resolved that by way of compensation the Military authorities may be asked to pay a monthly rent of Rs.100/- for being in possession of the water works. This is a reasonable arrangement and may be accepted.

I cannot resist the inference that the Garrison Engineer at Harihar is inclined to adopt a somewhat uncompromising attitude and such attitude does not help to establish cordial feelings between the local authorities and the Military.

Returned with compliments.

Revenue Commissioner &
Civil Liaison Officer.

OFFICE OF

The Deputy Commissioner,

Chitaldrug District,

Chitaldrug

Date 20th July 1942.

No A6.3783/41-42
Encls. one file.

To

C. Narayanaswamy Naidu, Esq., B.A., B.L.,

Secretary to Government,

Law Department, Bangalore.

SECY. L. DEPT. 21 JULY 1942 GOVT OF MYSORE

Sir,

Handing over the pumping Station at Harihar to the Military authorities.

In continuation of my letter No.A6.3783/41-42 dated 30th June 1942 on the above subject, I have the honour to state that the President, Town Municipal Council, Harihar has reported that the value of the pumping station can be estimated at Rs.14,794-12-0 as per details noted in the margin.

Buildings & Machinery	Rs.11,000- 0-0
Extension to water works shed.	294-12-0
Site value	500- 0-0
Value of well	2,000-0- 0
Filters & Pumps	1,000- 0-0

2. The Municipal Council was consulted to furnish its opinion in the matter of handing over the pumping Station. The Council has resolved at its meeting dated 29th June 1942 that the pumping shed with such of the materials as the Military Authorities want may be handed over to them subject to their allowing a sufficient daily supply of water to the Harihar Town at reasonable rate and subject also to their vacating the shed and premises when the Municipality intends to put up its own separate water works.

3. The Military Authorities have to be consulted if they are prepared to take over the pumping station on these conditions. I have herewith forwarded the connected records for favour of orders of Government.

Orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Chitaldrug Dist.

No HC84.

Dated 12th July 1942

Re Sarihar water works

Sir,

With reference to your memo No. Rc 3783/41-42 dt 30/6/42 in the above matter, I beg to report that according to office property register, whose extract is enclosed for kind reference, the total value of the building and machinary has been noted to be Rs 11,000/- and a further sum of Rs 294-12-0 has been spent for extending water works shed. The total value is therefore Rs 11294/12/0. This value is apart from the site value and the value of the well inside the building. The value of the land may be about Rs 500/- and that of the well about Rs 2000/- of the machinary, only two old jewel filters and a pump remain all of which may be estimated at about Rs 1000/- at present, and the engines which were out of order were recently sold in public auction for Rs 1113/-

OFFICE OF THE DT. TY COMMISSIONER
No. 5-6.5
14. JUL. 1942
CHITALAROG DISTRICT

In this connection I beg to submit that the municipal Council has, at its meeting held on

16/7

over the water works with the available machinary which consists of two old jewe filters and one pump with necessary fittings connection valves etc to the Military authority under an inventory subject to their giving water supply to the town at a reasonable rate and subject also to their vacating the sites when the municipality gets its own separate water works sanctioned.

The supply of water to the town by the Military authorities is a matter in which they are to be consulted, and in giving supply taken instead from Bowonagere water-works.

They have not yet taken charge of the works. The Commrs record accompanys

I beg to remain

SECY. LAW DEPT. GOVT OF MYSORE

Sir,

WATER SUPPLY TO THE G.P.T. CAMP AT HARIHAR
HANDING OVER THE PUMPING STATION.

Adverting to your memo No.L.1482 dated 1st August 1942 forwarding a copy of letter addressed to the Secretary to the Hon'ble the Resident in Mysore, Bangalore on the above subject, I have the honour to state that the Garrison Engineer, Harihar has intimated the President, Town Municipal Council, Harihar that the request of the Council to vacate the station on demand is not reasonable and also that the Military Authorities cannot undertake to supply water to the Harihar Municipality. A copy of the letter is enclosed for favour of information of Government.

2. The President, Harihar Municipality has reported that the Garrison Engineer has taken possession of the Harihar water works premises with its well and the Engineer room and that the other machinery are with the Municipality. The well situated insite the shed is said to belong to one Mr. Jade Subba Rao and the Municipality was using it by giving some facilities to him in the shape of free supply of water for some time - daily, though no such concession is being given for the last four years and that the Municipality is liable to compensate him on this account.

3. Since the Military authorities are not agreeable to - supply water, the Council has resolved at its meeting dated 26th September 1942, that by way of compensation they may be requested to pay a monthly rent of Rs.100/- for being in -

P.T.O.

possession of the well and the Engine room

4. I have herewith forwarded the connected records for favour of obtaining orders of Government re: the payment of the rent.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Chitaldrug Dist.

MN

Report No.H.C.84/41-42 dated 16th August 1942 from the President, Town Municipal Council, Harihar, to the Deputy Commissioner, Chitaldrug District.

With reference to your Memo No.A6.3783/41-42 dated 6th August 1942 in the matter of handing over the Harihar water works to the Military, I beg to report that on a reference made to the Garrison Engineer in this behalf he has replied to state that the Municipal demands for supply of water to the Town and the vacation of premises whenever required by the Municipality are unreasonable. Ipsofacto he has rejected the demands. His letter No.402 x E.A. dated 15th August 1942 is enclosed in original for kind reference.

I beg to submit that the Garrison Engineer ~~might~~ ought to have referred the matter to his higher authorities. He has replied on his own volition.

I beg to submit that since my last report ~~to~~ Garrison Engineer has taken possession of Harihar water works premises with its well and zinc sheet shed (Engine room). All other machinery have been handed over to the Municipality.

I beg to add that as the Military are not prepared to supply water to Harihar Town, under a concessional rate, they will have to be asked to compensate the Municipality and the owner of the well inside the engine shed, for their use by the Military say by way of annual rent.

The well situated inside the shed is said to belong to one Mr.Jade Subba Rao and the Municipality has all along been using the well subject to certain facilities being given to Mr. Subba Rao namely a daily free supply some quantity of water. This supply is not being given for the past four years. Naturally Mr. Subba Rao will have to be compensated and for this the Municipality is liable.

In the result I beg to request that if kindly approved the matter will be placed before the Council and its -

P.T.O.

opinion as to rent to be charged to the Military for the use of the water works shed and well will be obtained and submitted.

Letter No. 402 x E.A. dated 15th August 1942 from the Garrison Engineer, Harihar, to the C.R.E. Madras Dist. Bangalore.

===

HARIHAR WATER SUPPLY

==

I attach a copy of correspondence sent to me by the President, Town Municipality, Harihar.

The Harihar Pumping Station stopped functioning about four years ago and most of the plants amd materials from it was sold and taken away.

I only took over the old abandoned pump and shed over it. Some ~~xxi~~ plant and material lying in the shed was handed over to the Municipality as it was of no use to the M.E.S. and ~~xxxxx~~ should not be taken over. The shed itself was in a very dilapidated condition.

The Harihar Municipality at present gets its water from the Davangere Municipality Water Works at a reasonable rate, so I see no reason why it should want water from us. Our plant will be capable of pumping up only about 200 C.Ft. per minute, so we should not undertake to supply the Harihar Municipality with water.

It would not be correct to undertake to vacate the station, shed and premises with materials when the Municipality wants them.

The Harihar Municipality will not in any way suffer by our using their abandoned pump and shed, on the other hand they will gain a lot as we are thoroughly repairing them. I consider its demand unreasonable.

WATER SUPPLY TO G.I.P. CAMP AT HARIHAR.

Sir,

In continuation of this Office letter No.Pol.285 dated 1st August 1942, on the above subject, I am directed to state that it is reported by the Deputy Commissioner, Chitaldrug District that the Garrison Engineer has taken possession of the water works premises with its well and the Engine room and that he has intimated the President, Town Municipal Council, Harihar, that the request of the Council, to vacate the station on demand is not reasonable and that the Military authorities cannot also undertake to supply water to the Harihar Municipality. It has further been reported that the well situated inside the shed belongs to a private individual who has to be compensated for being deprived of the use of it. In these circumstances and in view of the fact that the Military Authorities are not agreeable to the original conditions imposed, the Municipal Council have resolved that by way of compensation the military authorities may be requested to pay a monthly rent of Rs.100/- for being in possession of the water works. I am therefore to request that the Military Authorities may kindly be addressed in the matter and arrangements made for the rent of Rs.100/- being paid to the Municipality.

In this connection, I am to state that in cases like this it is desirable that the Garrison Engineer should address the Residency and through them this Government instead of addressing the local bodies direct.
